3. It is strongly recommended that the members follow the progression of Calf - Heifer - Cow.
4. Any Dry Cow that freshens prior to or at fair will move into the appropriate freshened class.
5. Each member MUST work a shift at the Milk-a-Cow. Sign up will be at the June or July meeting. Schedule will be posted in the barns at the fair. Schedule changes must be handed by the Milk-a-Cow sub-committee chair.
6. Requirements for project work and fair exhibitors shall be set by the number of years of membership in the Dairy Project as follows:
 - A. First Year - 1 Calf
 - B. Second Year - 2 animals (Calf and/or Yearling Heifer - NO COW)
 - C. Third Year & Up - Exhibit 5 animals total: calves, yearling heifers and/or cows.
7. If an animal is not owned by the 4-H exhibitor, parent or grandparent, a lease contract must be signed and turned in to the Dairy Committee by June 1st (Lease agreements available from Dairy Committee). More lease information is listed under Lease Guidelines in this paper.
8. Entry Papers are due by the Mandatory Meeting in July. If the animal is registered, a copy of the registration paper must be turned in with the entry papers. If registration is pending, a copy of the pending registration must be turned in with the entry papers. The registration paper from those that were pending at the July meeting, must be presented by Tuesday, Entry Day. Absolutely NO late or incomplete papers will be accepted.
9. Meetings are held the third Wednesday of the month (unless otherwise noted). A list of meetings will be passed out at the first meeting in February. The 4H Dairy Skillathon will be held at the Mandatory Meeting in July. The 4H Dairy Skillathon is MANDATORY for all youth. For those who are unable to attend the meeting in July (eg. Camp, Family vacation), a makeup time will be scheduled at a later date.
10. Mandatory 4H Dairy Project books must be turned in by Tuesday at the Dairy Office, behind the Milking Parlor, when you check-in at the Fair. The Mandatory Project books will consist of various educational items.

11. If purchasing an animal from an outside source (individual or sale), the registration papers must be transferred to the youth, parent or grandparent by June 1, and the animal must physically be in their possession.
12. Youth must attend an accepted Mahoning County Quality Assurance Program (along with a Parent/Guardian) or an equivalent QA program, such as Dairy Palooza.
13. All youth planning to exhibit Dairy Cattle at the Mahoning Co Jr Fair must have attended at least 4 Dairy Club meetings, one being the MANDATORY meeting in July.
14. Exceptions to attendance are as follows:
 - a) If youth is a member of the Dairy Quiz Bowl Team and have completed at least one year of competition.
 - b) If youth is attending College or Technical School, and have completed 5 consecutive years of Dairy Projects prior to attending College or Technical school.
 - c) Once one of these above prerequisites are met, youth must only attend QA and attend the mandatory meeting in July. All other meetings are recommended but not required.
15. If a problem arises with an animal after entry sheets are completed, switches WITHIN the same BREED and CLASS are allowed. No late changes will be allowed once entry sheets have been turned in at the July mandatory meeting unless an animal has died or cannot be shown at the fair due to an illness.
16. If the animal is co-owned with another 4Her in another county, both 4Hers may show the animal in their respective 4H county separately as a 4-H project. This rule is exclusive to co-ownership and applies to registered calves & heifers only. No cows will be allowed to be shown by two different youth in two different counties under any circumstances. One youth equals one cow.
17. A separate social media policy will be enforced. ABSOLUTELY NO NEGATIVE SOCIAL MEDIA POSTS WILL BE TOLERATED.
18. ALL RULES AND GUIDELINES are at the discretion of the Dairy Committee for any and all Mahoning County Junior Fair Dairy Projects shown at the Canfield Fair.

1. Lease papers will be due on June 1st. The lease will run from June 1st until the end of the Mahoning County Fair on Labor Day. Absolutely no late lease papers will be accepted. All lease rules are listed here, under lease requirements.

They are not necessarily listed on the lease paper that the youth and the owner of the animal sign.
2. There will be a maximum of three leased animals per youth. The youth is then also able to take two additional animals that they own for the maximum of five animals to be shown as 4-H projects.
3. There is a maximum of two breeders that a youth can lease animals from. The second breeder must be approved by the Dairy Committee.
4. Leased animals must be entered, exhibited and shown ONLY by the youth leasing the animal, during the lease period at any other Junior Show, anywhere. Meaning no other youth may show the leased animal at any other Junior Show during this time period. This includes any other County Fair, District Breed Show and Ohio State Fair and any other Junior Shows.

5. If the leased animal will be shown in open class at the Canfield Fair, the leased animal must be entered, exhibited and shown only by the youth leasing the animal. The leased animal must be entered, exhibited and shown in the 4Hers name or their immediate families name only. The owner of the leased animal cannot enter, exhibit and/or show the animal, in open class, at the Canfield Fair for the year the animal is leased. The owner of the leased animal can show the animal at any other Open Show, except the Canfield Fair.
6. In event the 4Her is unavailable to show the leased animal in the Open Show, another Mahoning County 4Her or immediate family member may show the animal.

8. These lease requirements and guidelines are at the discretion of the Dairy Committee.
