

Market Swine, Market Goat and Market/Carcass Lamb Tagging
May 20, 2023 – Market Goats & Market/Carcass Lambs & Market Swine – 8:00 a.m. – 10:00 a.m.
Canfield Fairgrounds, Cattle Complex #61

Tagging day is **MANDATORY** to exhibit in the Mahoning County Junior Fair.

Market & Market Dairy Goats and Market/Carcass Lambs MUST BE BROUGHT to tagging

MARKET SWINE: First year Market Swine members MAY bring swine for committee to help tag and give vaccines. All others MUST pick up their tags and vaccines on May 20 at the Market Tagging. Here's how it works:

- The committee will have the tags bagged and will have them ready for pick up.
- **Each member will be responsible for tagging their own animal.** Families may purchase their own tagger, or clubs may purchase taggers to share within in your group. The tagger must be an Allflex tagger which can be easily ordered online or purchased at Witmer's Feed & Grain, Millstone, Heritage or possibly other local feed stores.
- To complete your tagging requirement, you will be responsible for completing the Market Swine ID form(found on the Market Swine page at www.mcjrfair.com) to include the **front, left side and right side photos of your animal(s)**, along with **an head/ear photo showing the tag in the ear.**
- **All animals tagged MUST be photographed and forms submitted by JUNE 19 or they will be unable to exhibit in the 2023 Junior Fair Show.**

MARKET SWINE VACCINE: For 2023, the erysipelas vaccine will be mandatory per the fair veterinarian. If your breeder vaccinated your pigs, please bring a copy of proof of vaccination to tagging. Vaccines will be donated by Lisbon Vet Clinic. The Market Livestock Committee will have the donated vaccinations available when you pick up your tags.

MARKET/CARCASS LAMBS - IMPORTANT: Market/carcass lambs will be weighed during tagging. We ask that you know which animals you would like to designate as Market or Carcass when you come to tagging and have this marked on an index card along with each animal's scrapie ID number. A form is available on the website to complete and bring to tagging.

MARKET & MARKET DAIRY GOAT: Please mark scrapie ID on an index card and have this ready at tagging. All wethers must be banded or castrated at the time of tagging. A form is available on the website to complete and bring to tagging.

TRAFFIC FLOW:

Market Swine, Goats and Sheep exhibitors will enter GATE 9 ONLY off of Route 46. Gate 8 will be **EXIT ONLY.**

Market Swine (and members who have Swine & Lambs/Goats): Enter Gate G. Stop at the Market Swine table to pick up tags and vaccines. First year members needing committee assistance with tagging and/or vaccines, enter the Cattle Coliseum #61. Please be patient and slip into the goat and lamb traffic to enter the Dairy Coliseum. Listen to direction from committee. If it is raining, Market Swine members will be directed to enter the Dairy Coliseum as well. There will be 2 lanes.

Market Goat & Market Lamb only exhibitors will enter Gate G. Please be courteous and cautious as you enter the Coliseum. After exiting the Coliseum, take a left to head out Gate 8.

Arrive during the time you are scheduled. If you are unable to arrive at the time you are assigned or have other questions about tagging contact Gary Hemphill, Jr. concerning Market Swine at 330-727-2503, Market Lambs contact Kim Smith at 330-692-3917 and for Market Goats contact John James at 330-466-0137.

The following list is the schedule for the 2023 Market Livestock Tagging Day:
