“ADD-ONS”

Add-ons are a great way to support our youth without having to purchase something at the auction!

Add-ons can be a flat dollar amount or raising the sale price per pound

Example 1: Add \$50.00 to an exhibitor’s overall sale amount. The exhibitor will receive the purchase price plus the \$50.00 donation.

Example 2: A project sold for \$3.00 per pound, you couldn’t attend the sale but were willing to go to \$4.00 per pound. You can \$1.00 per pound to make up the difference for the individual.

You can do add-ons for one exhibitor or multiple exhibitors. There are no deductions taken out of the add-on amounts, the exhibitor will receive the full amount you add.

Add-ons must be submitted to the Junior Fair Sales Office in the Michael Kusalaba Event Center no later than 5:00 P.M. on Labor Day

Thank you for supporting the Mahoning County Junior Fair!
